Subject: Forced Tax for Abortion
Date: Tuesday, September 20, 2011 2:09:28 AM

To Whom It May Concern:

I am vehemently opposed to being forced to pay taxes for women who insist on having abortions. It is completely against my Catholic religion and views of the valued and gift of life from God. Please make my vote count AGAINST taxes that include abortion. Please, I am petitioning to save a life from those who would abort and use our taxes to support this.

Thank you.
