### [PREVIEW FILMS](#)

Educational films on DVD for groups, educators and individuals. From the Outbacks of Australia to the far reaches of Canada's north, from Vancouver Island to the coast of Japan educators and groups have purchased and are using our films in their classrooms, schools and libraries. From the shelves of Harvard University to the desks of Brandon University First Nations Films educates and entertains people from all over the world as we spread "Our Stories" and concerns about First Nations people.
