Address:

Nederland, TX,

Organization: Home School Legal Defense Association

General Comment

I do not understand the continual actions of government to limit freedom and require people of faith to cowtail to constant government regulation. We have DEFICITS in the TRILLIONS and the government wants to require people of faith to foot the bill for things that completely violate our conscience. Who is protecting and looking out for people of faith? Please allow people of faith to be given a way out of paying for services that anyone can get on their own if they wish.
