Address:

3308 Harmon Dr
Indianapolis, IN,

General Comment

I am appalled that the government thinks it can mandate coverage of any services, let alone those that can terminate a life (ie "the day after pill") and those services that are directly opposed to the religious values I hold (ie sterilization). Supporting the Respect for Rights Conscience Act (HR 1179/S. 1467) would certainly help, but please consider doing away with legislating what is not the role or responsibility of government.
