Subject: Comment on Interim Final Rules for Group Health Plans and Health Insurance Issuers Relating to Coverage of Preventive Services; etc. (Document ID HHS-OS-2010-0018-0001)
Date: Wednesday, September 15, 2010 12:13:03 PM

Dear Secretary Sebelius:

- Contraception is part preventive care for women, and access to wide-ranging contraceptive care is in the best interest of women's health, children, and our communities.
- We will not accept anymore unnecessary and unreasonable delays in access to contraceptive care as preventative health services.
