Submitter Information

Name: Thomas Cushing

Address:

Griffith, IN, 46319

Organization: Citizen

General Comment

If anyone seeking insurance coverage for the purpose of contraception, sterilization, and or abortion, they should apply and pay for such coverage, but don't hold every policy holder responsible for such coverage if they don't want, need or think it morally appropriate. The proposed legislation is offensive, inappropriate and seems to be the way of things in our present day sick society. I am sure they love the idea in California.
