Comment on FR Doc # 2015-08831

Submitter Information

Name: Linda Kelley

General Comment

To take away the ability to trade options in an IRA account ... greatly decrease the ability to make money (that you know you can keep) in your IRA Account. Actually upon having an education in using Options to your benefit greatly decrease any risk that a person would be taking. Everyone should have the right to CHOOSE the strategy they need to use that fits with their life. Thank you
