General Comment

Those Americans with IRA accounts have worked hard throughout their life to put away money to secure their old age and supplement their SSI. I am one of those Americans. I have sacrificed some of life's comforts during my younger working life to have a more secure life after retiring. I find the concept of increasing government encroachment on my freedom to maintain a reasonable IRA balance through whatever investment strategy I choose to be reprehensible.

I ask that the effort to ban my ability to deal in OPTIONS TRADING via my IRA be abandoned.
