## Submitter Information

**Name:** Gerald Dinerman

---

## General Comment

Please do not pass this rule. I have learned how to invest properly using options and it has helped me to increase my retirement income.

If you take away my ability to invest in options just as the pros do, you will reduce my ability to provide required income for my retirement. I need this income derived from selling call options against my portfolio holdings in my IRA account!

This rule should NOT be passed. Thank you.

Signed,

Gerald Dinerman
