General Comment

As I understand the proposed change, this will restrict my ability to write covered calls in my IRA. I am highly dependent on the income this generates for me, as I am a senior - and the FED interest is not sufficient to supplement my savings.

I need this source of income to make ends meet. I have no need of a fiduciary to help me in this regard; I am perfectly capable of being my own, self-directed IRA manager.

Thank you for your consideration.
