## General Comment

As a very "senior citizen, I think I am capable of directing my own affairs in regard to money I earned and was capable of saving same. ERISA-- 4975 OF IR CODE 1986 does no service telling people they are not able to take care of themselves, or make judgement calls pertaining to their welfare. Please do not sell the American people short, we do not need someone looking over our shoulder every minute of the day. Thank you in advance for your kind consideration in withdrawing another new law.
