Comment on FR Doc # 2015-08831

Submitter Information

Name: Naseem Aziz

General Comment

I have taken the time to learn proper options trading whereby risk is actually reduced. Utilizing the covered call (the purchase of a stock and selling a call option on the same stock), married put (same day purchase of a stock and put option on the same stock), and cash secured put selling approaches has help grow my retirement account with less risk than stocks alone. Please do not remove access to option trading within the retirement accounts.
