General Comment

Dear Friends:

I have become aware that the RIN1210 - AB32 ruling would hinder my ability to trade options in my IRA account. My husband and I took a 2 day course 10 years ago and have been successfully trading options ever since. Even in this volatile stock market environment, we have done well.

We will be approaching retirement in the next year and are counting on the continued income to sustain us for many years moving forward. This is extremely important for so many.

Thank you!

Clayton and Catherine Fitzhugh
