General Comment

I would ask you vote AGAINST this Dept of Labor regulation. I have spent considerable time gaining the knowledge and experience about options and how to trade them in a responsible manner.

My ability to use covered calls in my IRA account helps to actually reduce my risk while increasing my retirement funds - certainly a goal I'm sure the government supports!

Maintaining investment flexibility and opportunities to utilize this flexibility helps all those interested and committed to increasing their retirement funds.

I ask you to vote against this proposed Dept of Labor regulation.

Thank you,

Mitchell Brown
