Comment on FR Doc # 2015-08831

Submitter Information

Name: Raymond Rota

General Comment

I have been trading options for over ten years. I make about half of my retirement income by selling covered calls on stocks I own. My retirement will look very different if I am unable to trade options in my existing IRA plans. I would also like to keep my current broker with whom I have worked with for over 15 years. I see no problem with the system as it is and would appreciate if I can just continue with my trading patterns as they are.
