General Comment

I am a retired senior citizen (years old) who has been trading stocks in my IRA and 401K for many years. Why do you care about how and why I trade to make my investments help fund my retirement. Please don't change the rules on me now. I am doing fine and I'd like to continue doing so. I need the income I get to continue to live comfortably for as long as I have.
Thank you. Don Anderson
