General Comment

I don't trade options in either my traditional or Roth IRA at the moment, but I have set up my accounts so that I may in the future. I've been studying the best ways to trade options, and when I feel more confident, I hope to trade options. Please don't take away my ability to do so. Protect us from scoundrels (yes, I've been ripped off for \$100K), but this proposed rule won't help.
