Hi!

Please don't regulate the use of options in retirement accounts. I'm glad to be able to use options in my account. I do lose money on occasion, but on the whole find that I do better with the ability to trade options than I would without. (I have also lost money in stocks on occasion.)

We are grownups. Let us make mistakes, learn from them, and then apply what we have learned as we see fit.

Thank you.
