To Whom It May Concern:

What an infringement on my investing skills and freedom of choice **TO RESTRICT THE TRADING OF OPTION IN MY IRA/SEP ACCOUNT.**

I don't need government intervention in a paternalistic attempt to "protect me from myself". This is one of the most patently unfair "recommendations" government is imposing. I have taken the time to learn proper options trading and which to date has grown my retirement account.

I strongly urge you to reconsider this obstructive law you are intending to implement and stop thinking and controlling the lives of respectful and knowledgeable citizens of this great nation.

Respectfully,
Jack Varon
