The Board is in receipt of Employer's motion to withdraw its appeal in this survivor's claim. Employer states it has accepted liability in the miner's claim and, therefore, Claimant is automatically entitled to benefits in this claim. Employer requests that its appeal be dismissed. 20 C.F.R. § 802.401(a).

The Board accepts Employer's request as withdrawal of controversion of all issues. *See Pendley v. Director, OWCP*, 13 BLR 1-23 (1989). Accordingly, we grant Employer's motion to dismiss its appeal and remand this case to the district director for the payment of benefits to Claimant by Employer. 20 C.F.R. §802.401.

SO ORDERED.
