Claimant through counsel has notified the Board that he has filed a petition for modification in the captioned case. Claimant is requesting that his appeal be dismissed, and the case be remanded to the Office of the District Director for modification proceedings. The Board dismisses Claimant's appeal and remands this case to the Office of the District Director. 20 C.F.R. § 802.301.

The Board will reinstate this case only if petitioner requests reinstatement. The request for reinstatement must be filed with the Board within thirty (30) days from the date the decision on modification is filed and must be identified by BRB No. 25-0357. The request for reinstatement must be served on all parties. If reinstatement is requested, the Board will consider only the issues raised in Claimant's appeal of the Decision and Order dated June 4, 2025.

After the request for modification is processed by the District Director, the case may be transferred to an administrative law judge for a hearing pursuant to the regulations. In the event the administrative law judge denies modification and petitioner wishes to consider not only the original appeal, but also whether the denial of modification was erroneous, a Notice of Appeal of the decision denying modification must be filed, in addition to the request for reinstatement. The Notice of Appeal must also be filed with the Board within thirty (30) days of the date the decision on modification is filed. 20 C.F.R. §§ 802.205, 802.301. The appeal of the decision on modification will be assigned a new number and will be consolidated with BRB No. 25-0357.

In the event the administrative law judge grants modification, any party who is aggrieved by the decision granting modification may file an appeal with the Board within thirty (30) days of the date the decision granting modification is filed. 20 C.F.R. §§ 802.205, 802.301(c).
