By letter filed March 19, 2020, claimant notified the Board that he has filed an application for modification pursuant to 33 U.S.C. §922 with the district director. Thus, claimant asks the Board to dismiss his appeal without prejudice and remand the case for modification proceedings. 20 C.F.R. §802.301(c).

We grant claimant’s motion, dismiss his appeal without prejudice, and remand the case to the district director for modification proceedings. 20 C.F.R. §702.373. Claimant’s appeal of the administrative law judge’s December 27, 2019 Decision and Order on Remand will be reinstated provided he files a motion for reinstatement within 30 days of the date the district director files the decision on claimant’s motion for modification. The

request for reinstatement must be served on all parties and identified by the Board's docket number assigned to this case, BRB No. 20-0160. 20 C.F.R. §802.301(c).

Accordingly, claimant's appeal is dismissed without prejudice and the case is remanded to the district director for modification proceedings.

SO ORDERED.
