Enclosure
Notice of Critical Status
For
Bricklayers and Stonemasons Union No. 2 Pension Fund of Virginia

This is to inform you that on July 27, 2009 the plan actuary certified to the U.S. Department of the Treasury, and also to the plan sponsor, that the plan is in critical status for the plan year beginning May 1, 2009. Federal law requires that you receive this notice.

Critical Status

The plan is considered to be in critical status because it has funding or liquidity problems, or both. More specifically, the plan’s actuary determined that the plan has an accumulated funding deficiency for the current plan year.

Rehabilitation Plan and Possibility of Reduction in Benefits

Federal law requires pension plans in critical status to adopt a rehabilitation plan aimed at restoring the financial health of the plan. This is the second year the plan has been in critical status. The law permits pension plans to reduce, or even eliminate, benefits called "adjustable benefits" as part of a rehabilitation plan. On August 28, 2008 you were notified that as of August 28, 2008 the plan is not permitted to pay lump sum benefits (or any other payment in excess of the monthly amount paid under a single life annuity) while it is in critical status. There was no reduction in benefits made as part of the rehabilitation plan adopted by the Trustees on July 31, 2008. The rehabilitation period is the thirteen year period that begins May 1, 2010. If the trustees of the plan determine that benefit reductions are necessary, you will receive a separate notice in the future identifying and explaining the effect of those reductions. Any reduction of adjustable benefits (other than a repeal of a recent benefit increase, as described below) will not reduce the level of a participant’s basic benefit payable at normal retirement. In addition, the reductions may only apply to participants and beneficiaries whose benefit commencement date is on or after August 27, 2009.

Adjustable Benefits

The plan offers the following adjustable benefits which may be reduced or eliminated as part of any rehabilitation plan the pension plan may adopt:

☐ Post-retirement death benefits;
☐ Sixty-month payment guarantees;
☑ Disability benefits (if not yet in pay status);
☑ Early retirement benefit or retirement-type subsidy;
☑ Benefit payment options other than a qualified joint-and-survivor annuity (QJSA);
☐ Recent benefit increases (i.e., occurring in past 5 years);
☑ Other similar benefits, rights, or features under the plan {provide identification}

Pre-Retirement Death Benefit to Dependent Children
Automatic Pop-up Benefit under QJSA
Employer Surcharge

The law requires that all contributing employers pay to the plan a surcharge to help correct the plan's financial situation. The amount of the surcharge is equal to a percentage of the amount an employer is otherwise required to contribute to the plan under the applicable collective bargaining agreement. With some exceptions, a 5% surcharge is applicable in the initial critical year and a 10% surcharge is applicable for each succeeding plan year thereafter in which the plan is in critical status.

The 5% surcharge is not applicable because the Board of Trustees adopted the rehabilitation plan on July 31, 2008.
