NOTICE OF CRITICAL STATUS FOR
CHICAGO MOVING PICTURE MACHINE OPERATORS’
UNION LOCAL NO. 110 OF THE I.A.T.S.E.
AND M.P.M.O. SEVERANCE TRUST

This is to inform you that on November 22, 2010 the plan actuary certified to the U.S.
Department of the Treasury, and also to the plan sponsor, that the plan is in critical status for the
plan year beginning September 1, 2010. Federal law requires that you receive this notice.

Critical Status

The plan is considered to be in critical status because it has funding or liquidity problems, or
both. More specifically, the plan is in critical status for the 2010 plan year because the plan's
actuary determined that the Plan was in critical status as of September 1, 2009 and the plan is
projected to have an accumulated funding deficiency for the plan year or any of the 9 succeeding
plan years. The Board of Trustees has adopted a rehabilitation plan as required by the Pension
Protection Act of 2006 (PPA) and the plan is operating under that plan. The plan’s actuary has
certified that the plan is making scheduled progress under the rehabilitation plan for the 2010
plan year.

Rehabilitation Plan

Federal law requires pension plans in critical status to adopt a rehabilitation plan aimed at
restoring the financial health of the plan. This is the second year the plan has been in critical
status. The law permits pension plans to reduce, or even eliminate, benefits called "adjustable
benefits" as part of a rehabilitation plan. You were notified in July 2010 that the plan reduced or
eliminated "adjustable benefits".

Employer Surcharge

The law requires that all contributing employers pay to the plan a surcharge to help correct the
plan’s financial situation. The amount of the surcharge is equal to a percentage of the amount an
employer is otherwise required to contribute to the plan under the applicable collective
bargaining agreement. With some exceptions, a 5% surcharge is applicable in the initial critical
year and a 10% surcharge is applicable for each succeeding plan year thereafter in which the plan
is in critical status. The employer surcharge will end when the bargaining parties amend their
collective bargaining agreement (or participation agreement, if applicable) to include terms
consistent with the schedule set forth in the rehabilitation plan.
