

TAMPA MARITIME ASSOCIATION – INTERNATIONAL LONGSHOREMEN’S ASSOCIATION PENSION PLAN

NOTICE OF CRITICAL STATUS

January 28, 2011

EIN: 59-6145175
Plan No.: 001

To: Participants, Beneficiaries, Participating Unions and Contributing Employers

This notice is to inform you that on December 29, 2010 the Board of Trustees of the TMA-ILA Pension Plan received from their actuary a certification that the Plan is in critical status for the Plan Year beginning October 1, 2010. Federal law requires that you receive this notice and be advised of the Plan’s classification of critical status.

CRITICAL STATUS

The Plan is considered to be in critical status because it has funding or liquidity problems, or both. More specifically, the Plan’s actuary has determined that the sum of the Plan’s normal cost and interest on the unfunded benefits for the current Plan Year exceeds the present value of all expected contributions for the year; the present value of vested benefits of inactive participants is greater than the present value of vested benefits of active participants; and over the current plan year and the next four plan years, the Plan is projected to have an accumulated funding deficiency for the 2014 Plan Year.

REHABILITATION PLAN AND POSSIBILITY OF REDUCTION IN BENEFITS

Federal law requires pension plans in critical status to adopt a rehabilitation plan aimed at restoring the financial health of the plan. As part of the rehabilitation plan, the law permits pension plans to reduce, or even eliminate, benefits called “adjustable benefits.” If the Trustees determine that benefit reductions are necessary, you will receive a separate notice in the future identifying and explaining the effect of those reductions. Any reduction of adjustable benefits will not reduce the level of your basic benefit payable at normal retirement age. Basic benefits include all past accrued benefits and any future benefits not outlined in the adjustable benefits announced to be reduced. The reduction or elimination of adjustable benefits may apply to Participants and beneficiaries whose benefit commencement date is on or after the date of this notice.

You should be aware that whether or not the Plan reduces adjustable benefits in the future, effective with this notice, the Plan is not permitted to pay lump sum benefits (or any other payment in excess of the monthly amount paid under a single life annuity) while it is in critical status. Consequently, the Plan may no longer be able to pay the supplemental benefit to a participant who has not begun receiving retirement benefits by the date of this notice, except as otherwise permitted under law, as long as the Plan remains in critical status.

ADJUSTABLE BENEFITS

The Plan offers the following adjustable benefits which may be reduced or eliminated as part of any rehabilitation plan as determined by the bargaining parties in collective bargaining:

1. Disability benefits (if not yet in pay status);
2. Other similar benefits, rights or features under the Plan.

EMPLOYER SURCHARGE

The law requires that all contributing employers pay to the Plan a surcharge to help correct the plan's financial situation. The amount of the surcharge is equal to a percentage of the amount an employer is otherwise required to contribute to the Pension Plan under the applicable collective bargaining agreement. With some exceptions, a 5% surcharge is applicable in the initial critical year and a 10% surcharge is applicable for each succeeding plan year thereafter in which the Plan is in critical status, until the employer agrees to a collective bargaining agreement or similar agreement that implements schedules consistent with the rehabilitation plan. The 5% surcharge is payable on contributions required for work performed on or after February 28, 2011 until September 30, 2011, and the 10% surcharge is payable with respect to work performed after September 30, 2011, until a collective bargaining agreement that satisfies the rehabilitation plan goes into effect.

The surcharges will be disregarded in determining benefits and withdrawal liability, as required by law.
