

**Notice of Critical Status For
Birmingham Plumbers and Steamfitters Local Union Number 91 Pension Trust Fund**

EIN 63-0437949/PN 001

Date: April 2024

This is to inform you that on March 29, 2024, the Plan actuary certified to the U.S. Department of the Treasury, and to the Plan sponsor, that the Plan is in critical status for the Plan Year beginning January 1, 2024. Federal law requires that you receive this notice.

Critical Status

The Plan is considered to be in critical status because it has funding or liquidity problems, or both. More specifically, the Plan's actuary determined that a funding deficiency is projected within four years.

Rehabilitation Plan

Federal law requires pension plans in critical status to adopt a rehabilitation plan aimed at restoring the financial health of the plan. The law permits pension plans to reduce, or even eliminate, benefits called "adjustable benefits" as part of a rehabilitation plan. On November 17, 2010, you were notified that the Plan reduced or eliminated adjustable benefits. You were previously notified that as of April 30, 2010, the Plan is not permitted to pay lump sum benefits (or any other payment in excess of the monthly amount paid under a single life annuity) while it is in critical status. If the Trustees determine that further benefit reductions are necessary, you will receive a separate notice in the future identifying and explaining the effect of those reductions. Any reduction of adjustable benefits (other than a repeal of a recent benefit increase, as described below) will not reduce the level of a participant's basic benefit payable at normal retirement. In addition, the reductions may only apply to participants and beneficiaries whose benefit commencement date is on or after April 30, 2010.

Adjustable Benefits

The Plan offers the following adjustable benefits which may be reduced or eliminated as part of any rehabilitation plan the pension plan may adopt:

- Sixty-month payment guarantees
- Disability benefits (if not yet in pay status)
- Early retirement benefit or retirement-type subsidy
- 100% pre-retirement survivor annuity (QPSA)
