Notice of Endangered Status For

Truck Drivers and Helpers Local Union No. 355 Retirement Pension Plan ("the Plan") EIN 52-6043608

This is to inform you that on March 29, 2013 the plan actuary certified to the U.S. Department of the Treasury, and also to the plan sponsor, that the Plan is in Endangered Status (Yellow Zone) for the plan year beginning January 1, 2013. Federal law requires that you receive this notice.

Endangered "Yellow" Zone

This letter will serve as the Notice that our Pension Fund’s actuary recently determined and certified that the Plan is in "endangered" status (yellow zone) for the 2013 plan year with a projected funded ratio of 77.3%. This determination was made because, based on the PPA’s funding measures, the Plan is currently less than 80% funded.

Funding Improvement Plan

The PPA also requires that any pension fund in the yellow zone adopt a "Funding Improvement Plan" (FIP). The FIP is an action plan designed to significantly increase a Plan’s funded percentage and to avoid any accumulated funding deficiency. The Trustees adopted the FIP in November 2011 and a notice describing it was provided to the bargaining parties in December 2011 in accordance with the PPA.
