

PLASTERERS LOCAL UNION NO. 1 PENSION PLAN
2017 NOTICE OF ENDANGERED STATUS
September 2017

On August 24, 2017, the actuary for the Plasterers Local Union No. 1 Pension Plan (“Plan”) certified to the U.S. Department of the Treasury and the Plan Sponsor (“Board of Trustees”) that the Plan is considered to be in endangered status for the 2017 Plan Year. The 2017 Plan Year began on June 1, 2017 and will end on May 31, 2018. Federal law requires that you receive this Notice.

Endangered Status

The Plan is in endangered status as defined by the *Pension Protection Act of 2006*. The 2015 Plan Year was the first year that the Plan was certified to be endangered. The Plan remains in endangered status for the 2017 Plan Year because the Plan’s actuary has determined that the Plan continues to be less than 80% funded.

The Plan’s Board of Trustees adopted an updated funding improvement plan in September 2015 that was ratified by the bargaining parties. The Plan is operating in accordance with the terms of this funding improvement plan. The Plan’s actuary has certified that the Plan is making scheduled progress in meeting the benchmarks to improve its funded status.

Funding Improvement Plan

Federal law requires pension plans in endangered status adopt a funding improvement plan aimed at improving the plan’s funded percentage. A funding improvement plan can include: (1) the reduction or even the elimination of future benefit accruals, and/or (2) increases in the hourly contribution rate.

In an effort to improve the Plan’s funding situation, the Board of Trustees adopted a funding improvement plan on September 21, 2015. The funding improvement plan includes scheduled increases in the hourly contribution rate. You can request a copy of the Plan’s funding improvement plan, any updates to such plan, and the actuarial and financial data that demonstrate any action taken by the Plan toward fiscal improvement by contacting the Plan Administrator.
