Information about Plan Status

This is to inform you that on March 30, 2018, the Plan's enrolled actuary certified to the U.S. Department of the Treasury, and also to the Plan sponsor, that the Plan is not "endangered," "seriously endangered," "critical," or "critical and declining," as those terms are defined by federal law, for the plan year beginning January 1, 2018, and that the Plan is not projected to be in critical status in any of the succeeding five plan years.

The Plan would be in endangered status for the plan year beginning January 1, 2018, but for the Plan actuary's certification that the Plan was not in critical or endangered status for the plan year beginning January 1, 2017, and is not projected to be in endangered status as of the end of the tenth plan year ending after the year of certification.

This notice is provided to the bargaining parties and the Pension Benefit Guaranty Corporation as required by ERISA Section 305(b)(3)(D)(iii).

If you have any questions regarding this notice, please contact the Plan sponsor at the address or telephone number shown above.
