California Ironworkers Field Pension Trust

EIN = 95-6042866; PN = 001

TO: All Participants, Beneficiaries, Participating Unions and Contributing Employers

The Board of Trustees have made an election under Section 204 of the Worker, Retiree and Employer Recovery Act of 2008 to treat the California Ironworkers Field Pension Trust as being neither in endangered nor critical status for the Plan Year beginning June 1, 2009. The Plan status would have been in endangered status had this election not been made as was certified to the Secretary of the Treasury by the Plan's actuary. This election applies only for the June 1, 2009 Plan Year. If the Plan is certified to be in endangered or critical status for the June 1, 2010 Plan Year, a notice will be provided as to the Plan's status and steps will be taken to improve the Plan's funded situation.

In the event you have any questions or would like additional information, you may contact the Administrative Office of the California Ironworkers Field Pension Trust by phone at (800) 527-4613 or by mail at 131 N. El Molino Ave, Suite 330, Pasadena, CA 91101.

Sincerely,

Board of Trustees

**Interim WRERA Election
Multiemployer Plans**

Election to Maintain Prior Year's Funding Status

The Worker, Retiree, and Employer Recovery Act of 2008 (WRERA) Section 204 allows sponsors of Multiemployer plans to temporarily freeze the plan's funded status to be the same as that of the plan year immediately prior to the election year. Under section 205 of WRERA, a plan sponsor may elect to extend the Funding Improvement or Rehabilitation period by three (3) years. Internal Revenue Code Section 432 requires multiemployer plans to certify their funded status (i.e. endangered, critical, or neither). Please complete the items below and send your election to the IRS/EPCU.
