*Re: WRERA Section 204 Election*

To Whom It May Concern:

For Plan Year 2009, the Studio Mechanics Local 476 I.A.T.S.E. Retirement Plan ("Plan"), EIN: 36-6552588, Plan No. 001, sponsored by the Board of Trustees of the Studio Mechanics Local 476, I.A.T.S.E. Retirement Plan, has elected under Section 204 of WRERA to treat the Plan as being neither in endangered nor critical status for the Plan year beginning on January 1, 2009. The Plan was certified as endangered for Plan year 2009. This election is only for Plan year 2009, and if the Plan is certified to be in endangered or critical status for Plan year 2010, notice of such status will be provided along with the notice that steps will have to be taken to improve the Plan's funded situation, including increases in contributions and reductions in future benefit accruals. You may contact the Plan Administrator at the address and number provided below for additional information about the election and this notice.

Sincerely,

Mark Hogan, Trustee
