

NOTICE OF FUNDED STATUS AND WRERA 204 ELECTION FOR
CENTRAL NEW YORK LABORERS' PENSION FUND
EIN: 15-6016579

EBSA/PUBLIC DISCLOSURE
2009 NOV -6 PM 8:02

October, 2009

Dear Participants, Beneficiaries and Bargaining Parties:

The Pension Protection Act of 2006 (the "PPA") created the following funded status level for plans such as the Central New York Laborers' Pension Plan (the "Plan"): "endangered," "seriously endangered," and "critical" status. The PPA requires that we notify you of the Plan's funded status annually.

The Plan's Status for 2009

Under the PPA, within the first 90 days of each plan year, the Plan's Actuary must certify a plan's funded status level. For the Plan Year beginning July 1, 2009, the Plan's Actuary certified that the Plan is in "Critical Status" based on the Plan's actual results. Typically, the board of trustees of a plan in Critical Status is required to develop a Rehabilitation Plan, which for the Plan would include the possible elimination or modification of any and all adjustable benefits, including all early retirement, lump sum and disability pensions currently offered under the Plan. However, under Section 204 of the Worker, Retiree and Employer Recovery Act of 2008 ("WRERA"), the Trustees exercised their right to elect to apply the Plan's 2008 funded status, which was neither "Endangered" nor "Critical", for the Plan Year beginning on July 1, 2009.

The Plan's Status for 2010

This election to be treated as neither "Endangered" nor "Critical" applies only for the current plan year beginning on July 1, 2009. If the Plan is certified to be in "Endangered" or "Critical" status for the Plan Year beginning July 1, 2010, the Board of Trustees will provide notice of the Plan's status (i.e., endangered, seriously endangered or critical) and steps will have to be taken to improve the Plan's funded situation. These steps may include increases in contributions and reductions in future benefit accruals.

If the Plan is certified to be in "Critical" status for the Plan Year commencing July 1, 2010, the steps that will have to be taken to improve the Plan's funded situation will include a surcharge on employer contributions and the suspension of the payment of lump sums and similar accelerated distributions for individuals who commence receiving benefits after notice is provided of the Plan's "Critical" status. If the Plan is certified to be in "Critical" status steps to improve funding may also include amendments to reduce early retirement benefits or other adjustable benefits for such individuals.
