Subject: Comment in support of RIN 1210-AB30

April 24, 2010

I am writing to support the interim final rule under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (RIN 1210-AB30).

I support the strong rule that would forbid insurance companies from charging higher copayments, deductibles, and other out-of-pocket expenses for mental health treatment than they would for other physical health care.

Treating mental health issues is often as important as the physical in addressing someone's well-being. Access to services shouldn't be more costly than anything else in a health plan.

Thank you for ensuring that mental health care and physical health care coverage are included in a single deductible.

Sincerely,

Kirk Mills
