Subject: Comment in support of RIN 1210-AB30

April 24, 2010

I am writing to support the interim final rule under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (RIN 1210-AB30).

I support the strong rule that would forbid insurance companies from charging higher copayments, deductibles, and other out-of-pocket expenses for mental health treatment than they would for other physical health care. Mental illness is treatable just as any physical illness is and should be treated by the insurance companies as such without trying to make it something out of the ordinary. Thank you for ensuring that mental health care and physical health care coverage are included in a single deductible.

Sincerely,

Paula Bourgeois
