Subject: Comment in support of RIN 1210-AB30

April 24, 2010

I am writing to support the interim final rule under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (RIN 1210-AB30).

For all the families who have done this alone, we have to demonstrate that we, as Americans who are privileged to set up our own rules, support this equitable and fair solution for mental health care. No longer will families be excluded and have to go it alone because a mind malady is not like a broken wrist---something immediately visible. We support fairness, people with mental health challenges need

Sincerely,

Carole Crandon
