Subject: Comment in support of RIN 1210-AB30

April 24, 2010

I am writing to support the interim final rule under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (RIN 1210-AB30).

California, the state where I reside has had "Parity" for a number of years now. It's time the Federal Government followed the example of treating mental illness (the brain) in the same way it treats the heart. They are both physical health care. Thank you for ensuring that mental health care and physical health care coverage are included in a single deductible.

Sincerely,

Sondra Boone
