Subject: Comment in support of RIN 1210-AB30

April 25, 2010

I am writing to support the interim final rule under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (RIN 1210-AB30).

I support the strong rule that would forbid insurance companies from charging higher copayments, deductibles, and other out-of-pocket expenses for mental health treatment than they would for other physical health care. Thank you for ensuring that mental health care and physical health care coverage are included in a single deductible.

I am SICK of the obscene greed of corporate executives! Our health care payments are supposed to be for providing health care to people, NOT for suppling CEOs with evil amounts of money that they have not earned!

Sincerely,

Marilyn Escobar
