Subject: Comment in support of RIN 1210-AB30

April 25, 2010

I am writing to support the interim final rule under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (RIN 1210-AB30).

I understand mental illness to be the same as any other physical illness and should be treated as such. People and their families that are affected by mental illness have enough problems without battling health insurance companies.

Sincerely yours,

Joy Pollock
