Subject: Comment in support of RIN 1210-AB30

April 26, 2010

I am writing to support the interim final rule under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (RIN 1210-AB30).

Treating mental health on full parity with all other medical health is a change that we've long needed to undertake as a society. This helps make that change happen that much sooner, and for that I am enthusiastically grateful.

Sincerely,
