Subject: Comment in support of RIN 1210-AB30

April 26, 2010

I am writing to support the interim final rule under the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (RIN 1210-AB30).

Mental health and addiction recovery are every bit as important as physical health -- and in some respects more important, because they can become the foundation for self-care so important to families.

Sincerely,
