General Comment

I would like the DOL to extend the comment period for the fiduciary proposed rule change to 120 days. Below are the following reasons behind this request:

I need sufficient time to analyze how the rule will impact your clients, your advisors, and your business practices, especially within the IRA sphere;

I want to ensure that you are able to provide DOL with thoughtful, constructive commentary that will be helpful in their review of the proposal; and

Because of the length and complexity of the proposal, neither of the above objectives can be adequately accomplished within the 75-day comment period that DOL has attached to the proposal.
