Subject: Fiduciary requirement for investment advisers

May 1, 2015

Department of Labor

Dear Labor,

To the Department of Labor:

Please accept this as a request for the implementation of the fiduciary responsibility requirements for investment advisers. The people of the USA have been ill served by our investment advisory system in which the benefits are skewed to the "advisers".

Sincerely,

Mr. Roger FitzGerald
317 1/2 SE 8th street
Minneapolis, MN 55414
