Jeffrey J. Turner
Chief, Division of Regulations, Office of Regulations and Interpretations
Department of Labor
Employee Benefits Security Administration
N 5669, 200 Constitution Avenue NW., FP Building, Room N-5655,
Washington, DC 20210

Dear Mr. Turner,

I would like to oppose the proposed regulations regarding Fiduciary standards for IRAs. There are already multiple agencies regulating the investment industry and your proposal overlaps what is already being done and is totally confusing. We do not need another organization independently in this space. I urge you to drop your proposal

Sincerely,

Robert Kreitler
