General Comment

Hello,

Leave my 401k alone. I am perfectly capable to invest and direct my 401K. Don't harm my retirement. The Government should stay OUT of my finances. We are supposed to be free people with our own self determination. I have worked all my life to prepare for retirement. GET OUT of my business. Stop these draconian regulations. You are not elected by the We the People to impose this financial nightmare. Get your incompetent executive bureaucracy OUT of my life.

The government idiots do not know what is best for me. I pay your obamacare taxes and everything else. GET OUT OF MY LIFE. Stop your tyranny and give us back our liberty. My ancestors did not fight in the Revolutionary War against King George to now have a Government managing my money.
