General Comment

I can make my own decisions on my 401. I want the government out of it. I already see them stripping my parent of everything they had with nursing home care. It's sickening to see them pay their own way while others who never had anything get treated as well or better. Washington has been watching and drooling over money in 401"s since the law was enacted. LEARN TO SPEND THE WAY THE REST OF US HAVE TO, that is those of us not on assistance.
