## General Comment

To the Dept of Labor and all those concerned regarding MY retirement:

**KEEP YOUR HANDS AND BUSINESS OUT OF MY PERSONAL BUSINESS AND HARD WORKING EARNED MONEY!**

I do not need government nannies to take care of how I choose to handle my own retirement. Government needs to mind the business of defending and protecting Americans and let the people of this country run their own lives. I am old enough and capable enough to make my own decisions and I don't need your help running my own personal life. I am beyond frustrated of how progressives think they need to interfere in every area of an individual's personal life. I love my country and those that sacrifice to defend her. I am thankful for government, but limited government! I think I got my message across, so I hope you are listening and adhering to the voices of those who feel like I do. YOU were elected to REPRESENT the people NOT overtake the country!!!
