Comment on FR Doc # 2015-14921

Submitter Information

Name: Tonya VanGordon

General Comment

I live in the United States of America, the land of the free. Established by the people for the people. The people don't need your help planning for retirement. This proposed rule is yet another example of government overreach. I will not stand for this or for anyone who supports this new proposed "rule". I'm ashamed of where this country is headed and will do what I can to fundamentally change this country back.
