## General Comment

Leave what does not belong to you alone.

You are not omniscient. You are not omnipotent.

Leave the funding I, my spouse, my children, my friends, my co-workers, and anyone else chooses to save for the later years of our lives alone.

The fact that the MANDATORY contributions to Social Security and Medicare in paychecks has been misappropriated and spend through the General Fund shows that there is a major CONFLICT of INTEREST in this area of regulations.

Given that historical mismanagement and bad judgement, do not interfere with the current arrangement and control individuals have in their 401(k) and IRA set-ups.
