Comment on FR Doc # 2015-14921

Submitter Information

Name: Michael Davy

General Comment

I am happy with my current retirement arrangements! I do not feel that I need the federal government to arrange my retirement! I already hear all the talk about social security as an "entitlement" and I don't want any additional government intervention!!! That social security benefit I, and my employer, have contributed to for well over 40 years is not, as I see it, an entitlement!

Thank you,
Michael Davy
