General Comment

To Whom This May Concern:

I am fully capable in planning and budgeting my own retirement. The government and DOL will certainly be overstepping my rights and boundaries getting involved. I am a hardworking citizen and now a small business owner all at my own and the good Lords hands, NOT the government. I am not considered a minority and I receive NO handouts nor do I seek them. I pay my taxes, I am a law abiding citizen, I am responsible to my community and I want my rights protected and the government to stay out of my business.
